

A large, spreading acacia tree stands in a savanna landscape. In the foreground, a hippopotamus is resting on the grass to the left of the tree. To the right, a buffalo and a zebra are grazing. The background features a wide, calm lake under a clear blue sky with a few wispy clouds. The overall scene is a classic African savanna.

On Safari

by Karen Cox

I went on safari and what did I see?
I saw an elephant looking at me.

I went on safari and what did I see?
I saw a giraffe looking at me.

I went on safari and what did I see?
I saw a lion looking at me.

I went on safari and what did I see?
I saw an ostrich looking at me.

I went on safari and what did I see?
I saw a zebra looking at me.

I went on safari and what did I see?
I saw a rhinoceros looking at me.

I went on safari and what did I see?
I saw a cheetah looking at me.

I went on safari and what did I see?
I saw a hippopotamus looking at me.

I went on safari and what did I see?
I saw a gazelle looking at me.

I went on safari and what did I see?
I saw a hyena looking at me.

I went on safari and what did I see?
I saw a baboon looking at me.

I went on safari and what did I see?
I saw a kudu looking at me.
