

Wild Animal Race

Use this math game to practice counting and numeral identification. You can make copies of this game if you like. You will need a dotted game die.
To play: Child rolls the die and counts the amount of dots. If they roll a 5, they will circle one 5 on the paper; if they roll a 3, they will circle a 3; etc. The child will continue to roll and circle numbers until one of the rows has all of the numbers circled. That animal is the winner!
