Most issues can be resolved by updating Adobe Acrobat Reader on your computer.
When you only want to print one page, go to that page, put your cursor on that page, click CTRL-P, and select "current page". If you want to print just certain pages, but not others, click CTRL-P and type in the page numbers you want.

Directions

Print out this page for each child. You can print it on colored paper or have children color it with paint or crayons.

This page has 2 sets of pictures per page. Print and give each child one half of the page (5 eggs).

Have children cut out the eggs. These will be glued into the basket.

If children are too young to cut, have adult volunteers do this in advance.
