Printing Instructions

Find Printing Tutorials here: <http://www.prekinders.com/printing-help/>

When you only want to print one page, go to that page, put your cursor on that page, click CTRL-P, and select "current page". If you want to print just certain pages, but not others, click CTRL-P and type in the page numbers you want.

If you have difficulties, try updating Adobe Acrobat Reader on your computer.

You will need to print one copy or the Scent Hunt Cards (I recommend cardstock).

Print the Scent Hunt sheet and make enough copies for your class.

The scent hunt has 20 animal pictures.

However, if you would like to make the game easier or take less time, cut off the two rows on each side before you make copies. This will make a smaller game sheet, and you can eliminate those cards from the game as well.
