**Most issues can be resolved by updating Adobe Acrobat Reader on your computer.**

When you only want to print one page, go to that page, put your cursor on that page, click CTRL-P, and select "current page". If you want to print just certain pages, but not others, click CTRL-P and type in the page numbers you want.

# I SPY: LISTENING

Print an I Spy mat for each child. Either place it in a page protector or laminate.

As you read the I Spy sentences to the children, they will look for the correct picture. When they find it, they will cover that picture with a manipulative (use Unifix cubes or colored plastic chips).

Continue until all pictures are covered.

There are two games included. Either choose the one you like best or use both. (I usually use both games in one small group session.)
