St. Patrick's' Path Game

Directions:

Open the board game and place gold coins or gold coin cards in a container by the board.

Players may place their game pieces at any point on the board to start. Players take turns rolling the dice and moving the correct amount of spaces. When a player lands on a gold coin, they collect a gold coin from the container. Play continues until all of the gold coins are taken. At the end of the game, players may count how many gold coins they earned.

This does not have to be a win/lose game. Play a non-competitive game and each child will work to collect the coins.

You can use 1 or 2 dice, and any amount of gold coins you wish. To make the game shorter, use less coins.

Players: 1-4

Ages: Preschool – Kindergarten

Skill: Counting and Subitizing
